

## Gordon Porteous Memorial Cup - First Maryhill Harrier in Nigel Barge 10K Race

This cup was instigated in 2009 in memory of Gordon Porteous (1914-2008), another of the greats of Maryhill Harriers and is presented annually to the highest-placed Maryhill Harrier in the Nigel Barge 10k Race.

Gordon Porteous joined Maryhill Harriers in 1935 and by 1937 was a firm member of the first team at a time when its ranks boasted Olympic athletes. He was a key member of this team as they won District and Scottish road relay and cross country titles. After WW2 Gordon stepped-up to longer distances and was prolific in the Veteran Harriers movement, boasting victories and records (still standing) at National, European and World level as recently as 2004.

Gordon was a founder member of the Scottish Marathon Club (1944) and an Honorary Life Member of **scottishathletics** (1992).
