

Men & Women's 5k Championship Trophies
Men & Women's 10k Championship Trophies
Men & Women's Half Marathon Championship Trophies
Men & Women's Hill/Trail Race Championship Trophies

These trophies were all instigated in 2013 as a series of additions to the club's awards to capture the range of distances generally targeted by harriers at races throughout the season.

The trophies are awarded annually, with different races being selected both to vary the parcours plus provide club support to smaller (and sometimes charitable) races in the calendar. The Hill/Trail Race course is generally kept constant and starts/finishes in Blanefield.
